Brgy. San Jose

Antipolo City.

## SKILLS

- HTML & CSS (Basic)
- JavaScript (Basic)
- Computer Literacy
- Customer Service
- Time Management
- Sales & Product Handling

## About Me

I am a 23-year-old working student from Antipolo City, currently taking Bachelor of Science in Information Technology (BSIT) at STI College Ortigas-Cainta.

I do not yet have formal work experience, but I have hands-on experience in product selling and assisting in our family-owned meat stall. This helped me develop responsibility, customer service skills, and basic business knowledge.

## Education Background

**Tertiary:** STI Ortigas-Cainta Colleges  
(2025 – Present)

**Senior High School:** AMA Computer Learning Center  
(2023 – 2025)

**Secondary:** San Roque National High School  
(2019 – 2023)

**Primary:** Juan Sumulong Elementary School  
(2013 – 2018)

## Work Experience

Family Business – Meat Stall

- Assisted in daily operations including customer assistance, product selling, inventory monitoring, and basic cash handling.
